

Dear SFMS Parents:

I want to take this opportunity to personally thank all of you for your continued support of our school and to share some information in an effort to dispel rumors.

On Monday of this week, a scribbled note was found that mentioned a possible threat to our school today. We investigated and determined that there was no credibility to the threat, nor any potential for harm to any students or staff. As there had been a previous, unrelated event two weeks ago that also involved a threat, we made the decision to have personnel from our district office on campus throughout the day to reassure our students that they were safe and supported.

I am happy to report that we had a great day at Schilling Farms Middle School, and I am looking forward to seeing everyone at school tomorrow!

Beth Robbins,
Principal
